Rishihood University | +91 9988522870 | dipanshigarg2712@gmail.com | [LinkedIn](#)

SUMMARY

BBA student and startup founder with hands-on experience in product validation, digital marketing, market research, and lead generation. Built and pitched an internationally recognized travel-safety startup at the Hult Prize. Combines operational discipline from competitive district-level sports with the ability to manage fast-moving projects from concept to execution.

EDUCATION

Rishihood University, Delhi NCR — BBA in Entrepreneurship	2024 – 2028
St. Xavier's School, Bathinda — Class 12 (CBSE, Commerce)	2024
St. Xavier's School, Bathinda — Class 10 (CBSE)	2022

EXPERIENCE

Apna Safar (Travel Tech Startup) - Founder

June 2026 – Present

- Founded Apna Safar after placing 3rd at the Hult Prize, building on the original idea to launch an early-stage platform offering verified local routes, vetted accommodations, and emergency support for student and solo travellers.
- Built the business model, monetization plan, and go-to-market strategy based on direct customer validation.
- Conducted user interviews and traveller behaviour research to identify key safety pain points and shape the product roadmap.
- Built landing pages, user journey flows, and UI/UX prototypes using no-code tools and AI-assisted design.
- Created investor pitch decks and operating budgets for university incubation and startup validation programs.

HNNOIX India — Marketing Intern

June 2026 – Present

- Worked with the marketing team to design digital campaigns and content that grew brand visibility.
- Researched competitors and emerging technology trends to inform marketing strategy.
- Wrote and designed marketing materials, presentations, and promotional copy for outreach campaigns.
- Used AI research and productivity tools to streamline workflow tracking and social media engagement.

MatrixLife Training Pvt. Ltd. — Sales Intern (Remote)

February 2026 – Present

- Managed B2B and B2C sales prospecting and LinkedIn outreach to corporate professionals and organizations.
- Qualified inbound leads for executive coaching and professional development programs.
- Maintained sales trackers, organized prospect databases, and scheduled discovery meetings.

Skillfied Mentor — Business Analyst Intern (Remote)

June 2023 – August 2023

- Analysed historical sales data to identify seasonal trends and shifts in customer behaviour.
- Built growth projections to help management identify high-profit market opportunities.
- Prepared sales performance reports to support strategic decision-making.

Evoke — Consultant (Remote)

June 2023 – August 2023

- Facilitated communication between mentors and student cohorts during leadership training.
- Led structured problem-solving exercises and team-building activities within group workshops.

COMPETITIONS & PROJECTS

Hult Prize Global Entrepreneurship Boot Camp (IIT Bombay) — 3rd Place

- Co-developed the original concept for Apna Safar, a travel-safety solution, during a month of startup masterclasses and workshops.
- Placed 3rd among 2,500+ participants from 6 countries.

Job Satisfaction in Retail Supermarket Employees (DMart) — Research Project

- Co-authored a research study on workplace dynamics, compensation, and employee retention at DMart.
- Collected and analyzed field data to deliver actionable recommendations to the project panel.

Deloitte Australia Data Analytics Job Simulation (Forage)

June 2026

- Built a business intelligence dashboard in Tableau and organized large datasets in MS Excel.

CERTIFICATIONS & ACTIVITIES

- 24-Module Management Program (AIFMB) — fundamentals of corporate administration and operations
- Ignite India Entrepreneur Program (Wadhwani Foundation) — startup operations and lean validation
- District-Level Athlete — Cricket, Badminton, Wushu, Skating
- Active member, startup and business forums at Rishihood University
